Dear Parent/Guardian,

SNOW PROTOCOL

Despite all the recent rain I thought it best to write and confirm the arrangements for school closure in the event of snow.

It is my intention to keep the school open for as long as practically possible. However I do have to consider the Health & Safety of the students and staff.

In the event of heavy snow and the decision being made to close the school, you would find confirmation in the following places:

- a) School website
- b) Announced on Radio WM, Heart or Free Radio

This decision is anticipated to be made by 7.00am on the morning of the snow so please check these sites from then on.

Yours sincerely, .

Mrs A Kimblin
Headteacher
